### About Straidhavern Primary School

Straidhavern Primary is a short drive away from Belfast International Airport, Aldergrove and Crumlin. We are the closest small school to Aldergrove where many of our pupils live. Parents and children love the family atmosphere that our school provides. Each and every child is known and is valued.

While Straidhavern PS is a school with a primarily Christian ethos and outlook, we welcome pupils from all religious and cultural backgrounds to join us in a nurturing and inclusive environment that develops independence, responsibility, kindness and good manners through an extensive personal development and mutual understanding education programme.

There is ample playground space with permanent playground games marked on the tarmac surface as well as grass for use for football and summer games. The school has its own sensory room/calming space that is used to support the mental health needs of our pupils. We have our own bus fitted with seatbelts and the same driver each day. Children are transported safely and with a friendly face each day! Transport is free!

Straidhavern Primary School has an excellent reputation for high quality pastoral care as well as high standards and we have incorporated the best of practice into our provision. Straidhavern school staff are experienced in many areas of the curriculum and we enjoy lovely new classrooms fitted with interactive whiteboards and desktop and laptop computers.
