

Dear Primary 3 and 4

We quit! Yesterday, we heard Miss Campbell reading you a story about Duncan and his crayons and, we have to say, we agree with the crayons. We are fed up! All too often you leave us without tucking us in so we don't get kicked (being kicked hurts!!!), you swing on us, tip us upside down, drag us around the room. Well we've had enough!

We won't be coming back unless you promise to always tuck us in to keep us safe, promise to keep our four feet on the ground and remember to lift us carefully if you need to move us and promise to put us back.
